

# HOW TO BE A GOOD NEIGHBOUR DURING THE COVID-19 PANDEMIC

Don't know your neighbour but suspect they need help?  
Not sure how to help when social distancing is recommended?

It can be as easy as dropping off a note similar to this one.  
The Knottwood Community Facebook group is also a great resource to ask for help, or to offer assistance to your neighbours & community.

*"The greatness of a community is most accurately measured by the compassionate actions of its members."*
